NEW NOTIFICATION
EXAMINATIONS 2019-20, SEMESTER II

1. For First, Second and Third Years of B.Tech & First Year of M.Tech:
   (a) ESE Examinations (both theory and Orals/Practical) are cancelled.
   (b) Results will be processed on the basis of internal formative assessment (Continuous Evaluation and other tools like PBL, Assignments, Quiz, Seminars, Tutorials etc) and earlier semester's performance; as per directives given by Govt of Maharashtra & SPPU. To this end, all activities related to submission of term work/assignments etc will be completed by 20th of May 2020.
   (c) Students who fail in any course or wish to improve the grades obtained for a course, will be able to appear for Re-examination/Supplementary examinations, which will be conducted within 120 days, after the commencement of next Academic Year 2020-21.
   (d) All students, irrespective of their status of ATKTs (Backlog subjects) will be permitted to take provisional admission to the next Academic Year. They will have to appear for the subjects they have failed, in the next backlog examination that will be held after the commencement of next Academic Year 2020-21.

2. For Second Year students of M.Tech:
   Dissertation Thesis submission will be taken online from 1st - 30th July 2020. Orals Examination will be scheduled as per guidelines given by Govt of Maharashtra & SPPU and the details will be conveyed soon.

3. For Final Year students of B.E:
   End Semester Examinations will be conducted as per the schedule given by the affiliating University, SPPU. Details shall be communicated by the concerned authorities soon.

* Guidelines/directives given by UGC, Govt of Maharashtra and the affiliating University, SPPU shall be adhered to.

All important notifications are being and will be communicated to students from time to time. Students are advised not to rely on rumours and should wait patiently for notifications that are communicated through the official channel.

A separate channel, for official communication of only Exam related notifications is created, which can be accessed by students and faculty alike. Students are advised to visit both the channel and college website to keep themselves updated with the latest notification.

Telegram app can be downloaded from the following link:
https://telegram.org/dl

The Channel can be subscribed as "Examination Cell VIIT" and can be accessed by joining the following link:
https://t.me/joinchat/AAAAAEkDO8g_vi6KTQtecA
Students are also advised to utilize their time in improving their professional and personal skills by using online resources that are abundantly available, to practice social distancing, to take care of their health and above all to remain safe!!!!
