Subject : Reporting date for the Second Semester of the academic year 2011-12.

Dear Parents/Guardian,

On behalf of staff, faculty and the management, I wish you and your family members **"A bright and prosperous New Year 2012"**.

The college will reopen on Monday, 26th December 2011 for the second semester of the Academic year 2011-12 for S.E., T.E. and B.E. classes and on Monday, 09th January 2012 for all divisions of F.E.

For ERP login every student is given login ID & password on joining the college for A.Y. 2011-12. I request you to advise your son/daughter/ward to attend the college right from the first day and submit online joining report **through ERP and update all information in ERP, namely mobile no., local no., parent annual income, email ID etc.** Late reporting will be viewed seriously and penalty will be imposed. It may be noted that student will have to pay fine of Rs.200/- per day in case of late reporting without valid reason. As you are already aware the student has to attend minimum of **75% academic sessions**. However, it is always desirable that the student attends **100% classes theory as well as practicals**.

The Annual Social Gathering, is planned from 16th to 18th January 2012. We will be displaying the detailed programme on our website www.viit.ac.in in this regard. We invite you for this event and request you to grace this occasion by your presence.

You are aware that VIIT is ISO certified institute for last 5 years and obtained continuation of certification for this year as well. We are proud to announce that VIIT received **Permanent Affiliation** for BE courses in E & TC., Computer and Information Technology from University of Pune from 2010-11. You are aware that **E & TC. Department is accredited by National Board of Accreditation (NBA)**. Recently we received accreditation for **Computer Engineering Department by NBA for 3 years**. We are also in the process of obtaining accreditation for remaining courses.

You are requested to attend the Parent Teacher Meetings to know the progress of your ward.

Your feedback, views and suggestions with respect to working of our institute are most welcome and would greatly help us to further improve the quality of education.

With kind regards.

Yours faithfully
