

A workshop on “How to write research Paper”

In a view to boost the research activities, A workshop on “How to write research Paper” was organized BY Vishwakarma Institute of Information Technology Pune in online mode from 5th Feb 2021 to 12th March 2021. During this workshop, various sessions were conducted on every Friday of the respective week for all the engineering faculties of various streams which are associated to Svaiteibai Phule Pune University and other institutes as well as for the faculties of VIIT. The objective of this workshop was not only to motivate the faculty members to write an research article but to become instrumental in it and to contribute for paper writing with the immediate action plan. Total 40 participants were contributed in this workshop and prepared the manuscript of their respective research papers as an output of this workshop.

Details of schedule of the workshop and sessions are given in the brochure of the workshop .
